Clyde lined up for their first game of the season in the Scottish cup against the team that beat them in the relegation play-off last season.

Clyde were Basset, Godon, McClure, Cross, Murray, Muirison, McIver, Hamilton, Gillespie D, Robinson O and Roxburgh.

In conditions fitting with the Somme, Clyde played Erskine at a change of venue. The match should never have been played, but Clyde raced into a 3-0 lead with goals from John Roxburgh 2 and Calum McIver.

Then with the biggest throwing away of a game came, Clyde conceded two goals before half time after inviting pressure on to themselves by not retaining possession. Half time came and went with everyone looking like they had somewhere better to be. Erskine came out with the bit between their teeth and promptly scored another three goals to send Clyde crashing out of the Scottish in the 2nd Round.

An awful game, an awful performance and awful weather. One word sums up this game AWFUL!
